

PHOTOGRAPHS

PLATYPUS is attempting to establish an A.F.P. Pictorial section as part of the Journal news.

We ask members in all Divisions to contribute any photographs which they consider news-worthy, or of some interest to other members. Photographs, particularly in the following categories, would be most welcome:—

1. Divisional/station/squad social functions
2. Sporting fixtures and functions
3. Old College/class photographs
4. COMPOL or A.C.T. Police Historical pictures
5. Nostalgic pics.
6. Humorous photographs
7. Any other photographs of interest (incl. members' weddings, etc.)

These photographs will be given full accreditation and will be returned to the sender on request providing a clear address is attached. With the

photographs please include the name(s) of person(s) in the picture (from left to right), as well as a caption or other relevant information or a small story (if applicable).

All photographs must be sharp in contrast with a 'gloss' finish. Black/white gloss photographs are preferable, but colour negatives (not prints) may be sent as an alternative.

PLATYPUS hopes that all members will assist with this request as photographs are urgently required. For further information contact:
