## AFAC'S LI'L SAFETY CLUB

<http://www.lilclub.com/lilsafetyclub/home.html>

The Li'l Safety Club website provides an avenue to directly engage kids with the underlying safety messages, in a fun and identifiable way.

The site features educational, interactive games and activities, the Li'l Safety Club stories, a safety quiz, merchandise, safety tips and information.

The Li'l Safety Club aims to open discussion between parents and children about important subjects such as being prepared for emergencies.
