

SUBJECT INDEX

Aboriginal heritage

Aboriginal Land (NT) 230 – 233
cultural heritage management plans 13 -- 18

coal

compensation 223-225
subsidence management plan 227 – 228

coal seam gas

overview 188 -- 200
compensation 195-198
coordination arrangements 193-195
relinquishment 198 -- 200
water 190 -- 193

civil procedure

continue action after more than six years 239 -- 241

compensation

coal seam gas 195 -198
mine subsidence 223 – 225
mining appeals 2- 9
mining lease 235 -236
petroleum 10 --11

competition

gas access regime 132-148
joint marketing 351 – 357
long-term contracts 168 – 174
restraint of trade 281- 292

contract

agreements to cooperate 281-292
assumption deeds 219 -- 222
good faith 99 – 103
long-term supply contracts 149–174
State agreements 293–329
uranium supply contracts 175–188

creditors

shareholders 90–98

environment

contaminated sites 266–267
energy efficiency assessment 214–218

environmental authority 11–12
renewable energy certificates 113–116
sustainability 246–249

Europe

Energy Reports 360–361
Euratom intervention in contracts 175–188

fiduciary duty

joint-venture 1–2

geothermal

Victoria 249–250
review of legislation 330–333

infrastructure

gas access regime 132–148

international law

Euratom intervention in contracts 175–188

joint venture

fiduciary duty 1–2
good faith and 99–103
preemptive right 250–255

liability

directors' and officers' 65–89

mining

Aboriginal land (NT) 230–233
caveats 41–50, 256–258
compensation 2– 9, 235–236
dealings with mining titles 41–50, 256–258
delegation invalid 118–120
exemption from expenditure 124–127
forfeiture claim 120–122, 258–261
forfeiture fine in lieu 122–123
health and safety 65–89
judicial review 261–262
jurisdiction of warden's court 31–37, 127–128
liquidation of tenement holder 31–37
machinery restrictions 233–234
marking out 116–118
mineral claims 116–118
miscellaneous license objection 118–120
reapplication 37–40
restoration 263–266
royalties 21—23
State agreements 293–329
subsidence 223–225, 227–228
tribunal jurisdiction (QRLT) 12–13, 236–238
uranium 175–188

native title

- authorisation of claim 203–204
- consent determination 24–26
- content 334–343
- extinguishment 209–213, 228–229
- Northern Territory 200–213, 228–229
- Perth 334–343
- proof 24–26, 200–213, 228–229

New Zealand

- petroleum changes 129–131

offshore

- customs regulation 104–111

Papua New Guinea

- Gas project authorisation 351–357
- Petroleum 268–280

petroleum

- compensation 10–11
- customs regulation 104–111

- discretion 358–359

- gas access regime 132–148

- gas determination 242–246

- health and safety 65–89

- New Zealand 129–131

- Papua New Guinea 268–280

- PNG Gas project authorisation 351–357

preemptive rights

- joint venture 250–255

- share buyback 18–20

- transfer of shares 28–31

- trigger 225–226, 250–255

property

- meaning of statutory 51–64

State Agreements

- future of 293–329

- legal efficiency 314–327

- mining 293–329

- policy and economics 294–314

uranium

- supply contracts 175–188
