Surf Report

Some APLA members who surf the net have recommended the following web sites.

www.lawfoundation.net.au/links/weblaw.html

Links to Australian sites covering various topics from Alternative Dispute Resolution to Women and the Law.

www.lawnow.com

National listing of courts, find a lawyer, articles, and subscription services.

www.au.findlaw.com

Links to alphabetically listed categories within the main categories Legal Professionals, Students, Business, and Public.

www.lawlex.com.au

Free title searches on legislation.

www.lexislegal.com

A multitude of legal news and research resources.

law.gov.au

Australian Law Online is provided by the Commonwealth Attorney-Generals. The page provides links to Commonwealth, State and Territory parliaments, courts and tribunals, police and justice departments, and relevant legislation sites.

www.legislation.qld.gov.au/WhatsNew.htm

This web page provides instructions for subscribing to the news list of the Office of the Queensland Parliamentary Council, which provides automatic notification of changes to Queensland bills and legislation.

www.dfat.gov.au/missions

Provides contact information and web links to Australian embassies overseas.

www.nlm.nih.gov/medlineplus

Contains information on medical conditions, diseases, etc. Access to dictionaries, encyclopaedias, full-text articles, and brochures from many well-known medical associations.

www.qut.edu.au/arts/carrs/links.htm

Provides links to various government departments, agencies, and research groups concerned with road safety.

webspirs.informit.com.au

Informit Online - AMI & AGIS. Subscription service available from SilverPlatter Information.

newsstore.f2.com.au/rlprod/rlsearcher

www.newstext.com.au/

Over ten years of news articles searchable by category and keyword. A charge applies for retrieving full articles.

Also see the sites referred to in articles in this issue of *Plaintiff*. To recommend other websites for possible inclusion on the APLA website, please email lhayward@apla.com.au
