Raeco®

Raeco® has been an active player in changing library landscape in Australia and nearby countries for over 45 years.

No other Australian supplier knows libraries like we do.

Backed by an Australia wide, experienced consulting team, we invite you to take advantage of our expertise for a seamless integration of:
• Consultation
• Design
• Manufacture and
• Implementation

Our Account Managers are available to consult with you in order to take the frustration and time out of your new or redesigned library with:
• Library shelving and general layout and design
• Customised solutions in shelving, furniture and display
• Selection from our comprehensive catalogued range
• Australian designed and manufactured shelving

In addition to our individual consultancy service we offer a wide range of resources to help with your decision making.

Our 'Ideas CD' is a source of inspiration and includes many examples of innovative designs and layouts. Our 'Project Partner' covers the scope of Raeco® products and services available to you. Support from Raeco® makes your journey with library design, furniture design, and library layout a pleasurable experience.
