E-FOLIO : an introduction to e-learning

Course Date 26 Sept – 11 Nov

Registrations Close 12 Sept

Delivery Online

Open to Members, non-members
and partner associations
Course Presenter FOLIOz at the University
of Sheffield

PD Points 30

This course is an introduction to designing and delivering e-learning courses. The course covers designing e-learning resources, along with practical tips on issues relating to this method of learning, including successful facilitation and motivating online learners. This course has been substantially updated since it ran in 2007, and now includes the use of Web 2.0 tools.

Customise Information for your Clients: Analyse and Describe Library Materials

Course Date 24 Oct – 25 Nov

Registrations Close 10 Oct

Delivery Online

Open to Members, non-members
and partner associations
Course Presenter TAFE NSW Sydney Institute

PD Points 30

Gain the skills needed to create indexing records found in electronic databases used in libraries. These records would typically cover materials not usually retrieved through the library catalogue, including journal articles, web pages and monograph chapters.
