

CSU GRADUATION

MARY ANNE KEENAN and PHILIP HIDER report on Charles Sturt University graduations for LIS students in late 2017.

The School of Information at Charles Sturt University holds its graduation ceremonies in August and December. This year we were fortunate to have Australian Library and Information Association CEO Sue McKerracher as the presenter at the graduation ceremony in Wagga Wagga.

Diana Richards (ALIA); Associate Professor Mary Anne Kennan (School of Information Studies); Lisa Nash (Dean's Award); Danielle Purdy (Dean's Award); Lisa Lynch (Dean's Award and Sage Research Prize); Sarah Treweek (ALIA Student Award); Alicia Solofa (Sage); Dr Asim Qayyum (School of Information Studies and Institute of Information Management).

Sue's address focussed on the personal achievement involved in obtaining a tertiary qualification, and the support from family and friends that was needed, as well as the importance of learning and information management in the knowledge economy. We also celebrate the particular success of those students who have demonstrated an exceptional standard of work and commitment in our courses, including the following award winners.
