**RAILWAY CONSTRUCTION (EAST HILLS TO
CAMPBELLTOWN) AMENDMENT BILL 1986**

NEW SOUTH WALES

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

The object of this Bill is to amend section 4 of the Railway Construction (East Hills to Campbelltown) Act 1983 to provide for an increase in the estimated cost of construction of a railway from East Hills to Campbelltown from \$35,000,000 to \$65,500,000. The estimated cost is exclusive of amounts paid in connection with the acquisition of land. Section 4 provides that the cost of carrying out the work shall not exceed the estimated cost by more than 10 per cent.

Clause 1 specifies the short title of the proposed Act.

Clause 2 effects the amendment referred to above.
