

HYDRO-ELECTRIC COMMISSION (MIENA DAM).

No. 73 of 1964.

AN ACT to authorize the construction of certain works by the Hydro-Electric Commission, to provide for matters incidental thereto, and to amend the *Hydro-Electric Commission Act 1944*. [17 December 1964.]

BE it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—

1—(1) This Act may be cited as the *Hydro-Electric Commission (Miena Dam) Act 1964*. Short title, incorporation, and citation.

(2) This Act is incorporated, and shall be read as one, with the *Hydro-Electric Commission Act 1944* (in this Act referred to as the Principal Act).

2 The construction and carrying out by the Commission of the works and purposes that are specified in the schedule is authorized. Authority for construction of works.

3 The costs and expenses of and incidental to the construction and carrying out of the works and purposes that are specified in the schedule shall not exceed the sum of one million one hundred thousand pounds. Expenses of construction of works.

4 Section fifteen of the Principal Act is amended by inserting after subsection (2) thereof the following subsection:— General powers of Commission.

“(2A) The Commission may—

(a) with the approval of the Minister, construct any works that it is requested to construct for or on behalf of the State or any authority of the State; and

(b) make such investigations, and prepare such designs, as it thinks desirable in relation to any works proposed to be constructed, for or on behalf of the State or any authority of the State, by the Commission or by any other person.”.

New power
development.

5 Section sixteen of the Principal Act is amended by adding at the end thereof the following subsection:—

“(3) The provisions of this section do not apply to or in relation to the modification or renewal of existing works.”.

THE SCHEDULE.

(Section 2.)

Works connected with new power development to be situated at the Great Lake, including the construction of a dam at Miena and other works connected with the conservation of the waters of the Great Lake, the acquisition of land (including easements) for those purposes, and the provision of other works, camps, services, and equipment incidental thereto and required in connection therewith.

CROWN LANDS (MISCELLANEOUS PROVISIONS).

No. 74 of 1964.

AN ACT to provide for the reinstatement of a purchaser of certain Crown land, to authorize the sale or leasing of certain Crown lands and the exchange of certain Crown land for other land, to provide for the extinguishment of easements over certain Crown land, and for the extinguishment of rights of passage over certain other Crown lands and reservation or disposal of that land, and to provide for incidental and consequential matters. [17 December 1964.]

BE it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—
