

## HYDRO-ELECTRIC COMMISSION (POWER DEVELOPMENT).

No. 67 of 1970.

AN ACT to amend the *Hydro-Electric Commission (Power Development) Act 1967.*

[23 December 1970.]

**B**E it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—

Short title and citation.

**1**—(1) This Act may be cited as the *Hydro-Electric Commission (Power Development) Act 1970.*

(2) The *Hydro-Electric Commission (Power Development) Act 1967* is in this Act referred to as the Principal Act.

Expenses of construction of works.

**2** Section three of the Principal Act is amended—

(a) by omitting the word “and” occurring after paragraph (a) thereof; and

(b) by adding at the end of that section the following word and paragraph:—

“; and

(c) in the case of the works and purposes specified in Part III thereof, the sum of \$14,800,000.”.

The schedule.

**3** The schedule to the Principal Act is amended by adding at the end thereof the following Part:—

“ PART III.

“ Additional works connected with a new power development (being an expansion of the thermal power station described in Part II of this schedule) by the purchase, construction, and installation of a further generating plant, a boiler, condensers, transformers, and other hydraulic, mechanical, pumping, and electrical equipment, circulating water conduits, and other facilities, the construction and laying of pipelines, the abstraction and return of water to the River Tamar, civil works, buildings, and housing, and the provisions of any other works, camps, and services and equipment ancillary and incidental thereto and required in connection with the new power development to enable it to operate with, and as an extension of, that thermal power station.”.
