

- (b) in the case of an officer who is required by the conditions of his employment to work for an average number of hours exceeding seventy-three and a half hours per fortnight, the prescribed formula is—

$$\frac{\text{Fortnightly salary}}{80} \times \frac{\text{Hours worked}}{1} .$$

“(6c) All amounts calculated under or for the purposes of paragraphs (5), (6), (6A), and (6B) of this regulation shall be calculated to the nearest cent.”.

(2) The amendments made by subsection (1) of this section have effect in relation to the first full pay period of officers beginning on or after the first day of July 1967 and in relation to each pay period thereafter.

LAUNCESTON FLOOD PROTECTION.

No. 10 of 1967.

AN ACT to amend the *Launceston Flood Protection Act 1960*. [17 July 1967.]

BE it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—

Short title
and citation.

1—(1) This Act may be cited as the *Launceston Flood Protection Act 1967*.

(2) The *Launceston Flood Protection Act 1960*, as subsequently amended, is in this Act referred to as the Principal Act.

2 After section ten of the Principal Act the following section is inserted:—

Management,
&c., of works
pending
transfer under
section 10.

“10A—(1) Until an agreement has been entered into under section ten, the Board has the management of all works constructed or in course of construction under this Act, and the Board may do all such acts and things as it may consider to be necessary for the proper management, control, maintenance, protection, supervision, and use of any such works.

“(2) Without prejudice to the generality of the provisions of subsection (1) of this section, the powers conferred on the Board by that subsection include the power—

(a) at a time of flooding or of a danger of flooding—

(i) to close any drains or drainage outlets, and to erect any flood gates, which have been constructed as part of any works constructed under this Act, and to keep them closed or erected, as the case may be, for such time as the Board thinks fit; and

(ii) to close any temporary gaps in a levee constructed under this Act in such manner as the Board thinks fit and to keep them closed for such time as the Board thinks fit,

and for the purposes of this paragraph may, notwithstanding any other law or rule of law to the contrary, stop up or close any highway or line of railway across, over, or under which any works constructed under this Act pass for such time and in such manner as the Board thinks fit; and

(b) to enter into such agreements or arrangements as the Board thinks fit with a transferee authority (as defined in section ten) in relation to the management and maintenance of any works constructed or in course of construction under this Act or in relation to the exercise by such an authority for and on behalf of the Board of all or any of the Board's powers under this section.”.
