

NORTH ESK REGIONAL WATER

—
No. 96 of 1975
—

ANALYSIS

1. Short title and citation.
2. Amendment of *North Esk Regional Water Act 1974*.
3. Amendments of Schedule II.
4. Saint Leonards municipality to use and maintain water main constructed by Commission.

AN ACT to empower the Rivers and Water Supply Commission to carry out additional work relating to the North Esk Regional Water Supply and to amend the North Esk Regional Water Act 1960 and the North Esk Regional Water Act 1974.

[22 December 1975]

BE it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—

1—(1) This Act may be cited as the *North Esk Regional Water Act 1975*. Short title and citation.

(2) The *North Esk Regional Water Act 1960*, as subsequently amended, is in this Act referred to as the Principal Act.

Amendment of
North Esk
Regional Water
Act 1974.

2 Section 4 of the *North Esk Regional Water Act 1974* is amended by inserting after subsection (2) the following subsection:—

“(2A) Nothing in subsection (2) shall apply to the works specified in the Schedule to the *North Esk Regional Water Act 1975*.”.

Amendments of
Schedule II.

3 Schedule II to the Principal Act is amended—

(a) by omitting the words “ a reservoir ” (second occurring) and substituting the words “ the reticulation system ”; and

(b) by adding at the end thereof the words “ A water main linking the reservoir in the town of Prospect Vale to the reticulation system in the municipality of Saint Leonards at the boundary of that municipality and the municipality of Westbury and such other works as may be necessary for water to be interchanged between the reticulation systems of the municipalities of Saint Leonards and Westbury in or near the towns of Saint Leonards and Prospect Vale.”.

Saint Leonards
municipality
to use and
maintain
water main
constructed by
Commission.

4 Upon the completion, at no cost to the municipality of Saint Leonards, of the water main and other works referred to in Schedule II to the Principal Act (as amended by section 3 (b) of this Act) that municipality shall, subject to section 4 (5) of the *North Esk Regional Water Act 1974*, have the exclusive use of the water main and those works for the purposes of the municipality so long as it carries out such maintenance in respect thereof as may be necessary from time to time.

THE SCHEDULE

(Section 2)

The reservoir in the town of Prospect Vale, the elevated tank adjoining the reservoir, and all the pipework relating thereto.
