New Norfolk Water Supply.

A.D. 1946. (2) For the purposes of the constitution of a water district at Granton upon petition by the Council of the Municipality of New Norfolk (in this Act referred to as "the Council") the provisions of Part XV. of the Principal Act shall have effect as if the words "three months" in subsection (2) of section two hundred and six of that Act were omitted and the words "three weeks" were substituted therefor.

Water rate. **3**—(1) For the purpose of defraying the cost and the interest on the cost of any works or appliances (in this section referred to as "the waterworks") constructed or maintained in any part of the districts referred to in section two for the storage and distribution of water, the Council may make and levy a water rate—

- (a) upon all ratable property within those districts, or either of them;
- (b) upon such ratable property within those districts, or either of them, as is connected with the waterworks, at such rate per dwelling-house or vacant piece of land as the Council may determine; or
- (c) upon such ratable property within those districts, or either of them, as is connected with the waterworks at such amount, fixed according to the measure of water supplied to such property, as the Council may determine.

(2) Any water rate made and levied in pursuance of paragraph (a) of subsection (1) may, notwithstanding anything contained in the Principal Act, comprise an amount not exceeding four shillings and sixpence in the pound on the annual value of all ratable property within the district in respect of which the rate is made and levied, and may be so levied as to provide for a minimum annual payment in respect of every property in relation to which it is payable.

(3) The provisions of section one hundred and seventy-two of the Principal Act shall not have any application in respect of any water rate made and levied in pursuance of this section.
