BY WAY OF STATUTE LAW
REVISION

PLUMBERS' REGISTRATION AMENDMENT ACT 1983

No. 73 of 1983

AN ACT to amend the Plumbers' Registration Act 1951 for the purposes of making further provision with respect to the registration of persons under that Act and changing the name of the Board constituted under that Act to the Plumbers and Gas-fitters Registration Board and for related and other purposes.

[Royal Assent 13 December 1983]

BE it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—

1—This Act may be cited as the Plumbers' Registration Amendment Act 1983. Short title.

2—(1) This section and section 1 shall commence on the day on which this Act receives the royal assent. Commencement.

(2) Except as provided in subsection (1), this Act shall commence on such day as may be fixed by proclamation.

Principal Act. **3**—In this Act, the *Plumbers' Registration Act 1951** is referred to as the Principal Act.

Amendment of long title to Principal Act. **4**—The long title to the Principal Act is amended by omitting “*Plumbers'*” and substituting “*Plumbers and Gas-fitters*”.

Amendment of section 1 of Principal Act (Short title). **5**—Section 1 (1) of the Principal Act is amended by omitting “*Plumbers'*” and substituting “*Plumbers and Gas-fitters*”.

Substitution of section 2 of Principal Act. **6**—Section 2 of the Principal Act is repealed and the following section is substituted:—

Interpretation. 2—(1) In this Act, except in so far as the context or subject-matter otherwise indicates or requires—

“Board” means the Plumbers and Gas-fitters Registration Board constituted under section 3;

“building area” means any urban building area, country building area, or changing building area under the *Local Government Act 1962*;

“class of plumbing work” means—

(a) sanitary plumbing;

(b) mechanical services plumbing;

(c) water plumbing;

(d) draining;

(e) roof plumbing; or

(f) any other class of plumbing work prescribed as mentioned in subsection (2);

“country” includes a part of a country outside the Commonwealth and a territory of such a country;

“draining” means the installation, alteration, removal, or repair of a fixture, fitting, or pipe that is laid below ground level—

(a) for receiving the discharge of a stormwater, soil, or waste pipe from a building at its perimeter or from land; and

* No. 74 of 1951. For this Act, as amended up to and including 31st December 1959, see the Reprint of Statutes (1826-1959), Vol. 4, p. 638. Subsequently amended by No. 84 of 1960, No. 50 of 1964, Nos. 55 and 59 of 1965, Nos. 5 and 41 of 1967, No. 14 of 1970, No. 21 of 1973, No. 35 of 1976, No. 56 of 1977, and No. 10 of 1982.

- (b) for carrying that discharge to a common sewer or drain, the table drain of a street, a septic tank, or other disposal point;

“ gas-fitting ” means the installation, alteration, removal, or repair of a cylinder, tank, fixture, fitting, or pipe for the supply of liquefied petroleum gas to a gas appliance, other than a gas appliance—

- (a) used to power a motor vehicle;
- (b) permanently located in a building or on land, that is fitted with a cylinder which contains, or with cylinders which together contain, less than 10 kilograms of liquefied petroleum gas; or
- (c) fitted with a cylinder that contains, or with cylinders that together contain, less than 2 kilograms of liquefied petroleum gas;

“ mechanical services plumbing ” means plumbing work carried out in connection with the heating, cooling, or mechanical ventilation of a building, and includes—

- (a) the installation, alteration, removal, or repair of a duct, pipe, flue, valve, regulator, register, tank, pump, heating or cooling line or surface, boiler, burner, or coil used in a heating and ventilation system; and
- (b) the extension and connection of water to and from that system,

but does not include—

- (c) the installation of a domestic oil-burning heating appliance in accordance with regulation 271 of the Building Regulations; or
- (d) a process of welding in the manufacture, alteration, or repair of a pressure vessel used by a person who is—

- (i) the holder of a permit granted in accordance with Division III of Part II of the *Inspection of Machinery Regulations* 1954 authorizing that person to make, alter, or repair pressure vessels by that process of welding;
- (ii) the holder of a welding supervisor's certificate granted in accordance with that Division; or
- (iii) under the direct supervision of a person who is the holder of a welding supervisor's certificate granted in accordance with that Division;

“ motor vehicle ” has the meaning assigned to that expression by section 3 (1) of the *Traffic Act* 1925;

“ the regulations ” means regulations made and in force under this Act;

“ roof plumbing ” means the installation, alteration, removal, or repair of a roof gutter, roof valley, roof ridge, roof weathering, or roof downpipe or any flashing associated with such a gutter, valley, ridge, weathering, or downpipe;

“ sanitary plumbing ” means the installation, alteration, removal, or repair of a fixture, fitting, or pipe in or on a building or otherwise on land for receiving and carrying off stormwater, sewage, or waste or for the supply of water and includes—

- (a) the ventilation of such a fixture, fitting, or pipe;
- (b) roof plumbing; and
- (c) draining;

“ secretary ” means the person appointed and holding office under section 8 as secretary to the Board;

“ septic tank ” means a septic tank the use of which is authorized by a subsisting licence under subsection (4) or (6) of section 558 of the *Local Government Act 1962* or by a subsisting temporary permit under subsection (6) of that section and includes an absorption drain (if any) and any fixture, fitting, and pipe connected to that absorption drain;

“ sewage ” means any waterborne human excreta or any domestic wastewater;

“ waste ” means—

(a) any waterborne waste other than sewage; or

(b) any liquid or solid discharged into a sewer, drain, or septic tank;

“ water plumbing ” means the installation, alteration, removal, or repair of a fixture, fitting, or pipe for the supply of water from a main or other pipe of any public waterworks.

(2) The regulations may prescribe a class of plumbing work for the purposes of paragraph (f) of the definition of “ class of plumbing work ” in subsection (1).

7—Section 3 (1) of the Principal Act is amended by omitting “ Plumbers ’ ” and substituting “ Plumbers and Gas-fitters ”.

Amendment of section 3 of Principal Act (Plumbers and Gas-fitters Registration Board).

8—(1) Section 9 of the Principal Act is amended by omitting subsections (1) and (2) and substituting the following subsections:—

Amendment of section 9 of Principal Act (Unregistered persons not to undertake plumbing work and gas-fitting).

(1) Subject to this section, on and after the day fixed by proclamation under section 2 (2) of the *Plumbers' Registration Amendment Act 1983*, a person, other than a body corporate, shall not, in a building area, undertake a class of plumbing work or any gas-fitting unless that person is the holder of a subsisting certificate of registration under this Act authorizing him to undertake that class of plumbing work or that gas-fitting, as the case may be, in that building area.

(2) Subsection (1) does not apply to a person, being an individual, who is—

(a) bound by indenture of apprenticeship to an employer carrying on the trade or occupation of plumber or gas-fitter; or

(b) employed to assist the holder of a certificate of registration under this Act,

and who is employed in a class of plumbing work or any gas-fitting on a site where he is under the direct supervision of a person who is the holder of a certificate of registration under this Act entitling him to undertake that class of plumbing work or that gas-fitting, as the case may be.

(2A) Subsection (1) does not apply to a person, being an individual, who undertakes any gas-fitting in a building area while he is the holder of a subsisting prescribed exemption.

(2B) Subsection (1) does not apply to a person, being an individual, who undertakes any roof plumbing in an area that is outside a sewerage or drainage district appointed under the *Sewers and Drains Act 1954*.

(2) Section 9 of the Principal Act is further amended by inserting the following subsections after subsection (3):—

(3A) Where a member of a firm which undertakes a class of plumbing work or any gas-fitting in a building area carries out, on behalf of that firm, that class of plumbing work or that gas-fitting in that building area without being the holder of a subsisting certificate of registration under this Act as required by subsection (1), that member is not guilty of a contravention of that subsection if he carries out that class of plumbing work or that gas-fitting on a site under the direct supervision of a member of that firm who is the holder of a subsisting certificate of registration under this Act authorizing him to undertake that class of plumbing work or that gas-fitting in that building area or, in the case of gas-fitting, who is the holder of a subsisting prescribed exemption.

(3B) On and after the day fixed by proclamation under section 2 (2) of the *Plumbers' Registration Amendment Act 1983*, a body corporate shall not, in a building area, undertake a class of plumbing work or any gas-fitting unless that class of plumbing work or that gas-fitting is carried out on behalf of

the body corporate by a person who is the holder of a subsisting certificate of registration under this Act authorizing him to undertake that class of plumbing work or that gas-fitting in that building area or, in the case of gas-fitting, who is the holder of a subsisting prescribed exemption.

(3) Section 9 of the Principal Act is further amended by inserting the following subsection after subsection (4):—

(5) In this section, “prescribed exemption” means an exemption granted by the Chief Inspector of Explosives under the regulations made and in force under the *Dangerous Goods Act* 1976 that exempts the holder of the exemption from holding a gas fitter's certificate within the meaning of those regulations.

9—Section 10 of the Principal Act is repealed and the following section is substituted:—

Substitution of
section 10 of
Principal Act.

10—(1) A person who wishes to be registered under this Act as mentioned in subsection (4), (6), or (7) may make an application to the Board to be so registered.

Registration
under Act.

(2) An application under subsection (1) shall—

- (a) be in the prescribed form;
- (b) contain the particulars required by that form; and
- (c) be accompanied by the prescribed documents and the prescribed fee.

(3) The Board may require a person who makes an application under subsection (1) to attend personally before the Board for the purpose of proving facts, and giving evidence, in respect of matters relevant to the determination of the application.

(4) A person who applies to be registered under this Act as a person who is authorized to undertake, at journeyman level, sanitary plumbing or mechanical services plumbing or both those classes of plumbing work is, subject to subsection (3), entitled to be so registered if he—

- (a) has completed an apprenticeship that the Board considers to be appropriate and has passed the examination prescribed for the purposes of this paragraph;
- (b) has passed the examination prescribed for the purposes of this paragraph and has had 5 years' trade experience acceptable to the Board;

- (c) holds a certificate which is acceptable under the Agreement and, in the case of a certificate issued in a country other than Australia or New Zealand, has worked as a plumber in Australia or New Zealand for the period prescribed in the Agreement; or
- (d) holds a prescribed qualification.

(5) The qualifications that may be prescribed for the purposes of subsection (4) (d) are the passing of a specified examination, or the satisfactory completion of a specified trade course, conducted by an approved authority.

(6) A person who applies to be registered under this Act as a person who is authorized to undertake, at advanced level, sanitary plumbing or mechanical services plumbing or both those classes of plumbing work is, subject to subsection (3), entitled to be so registered if—

(a) he—

(i) is qualified under subsection (4) to be registered at journeyman level to undertake that class of plumbing work or both those classes of plumbing work, as the case may be; and

(ii) has passed the examination prescribed for the purposes of this subparagraph; or

(b) he holds a certificate which is acceptable under the Agreement and, in the case of a certificate issued in a country other than Australia or New Zealand, has worked as a plumber in Australia or New Zealand for the period prescribed in the Agreement.

(7) A person who applies to be registered under this Act as a person who is authorized to undertake, at advanced level—

(a) any class or classes of plumbing work other than sanitary plumbing or mechanical services plumbing;

(b) any gas-fitting; or

(c) any class or classes of plumbing work to which paragraph (a) applies and any gas-fitting,

is, subject to subsection (3), entitled to be so registered if he—

(d) has—

- (i) passed examinations in the prescribed trade course subjects or passed the examination prescribed for the purposes of this subparagraph; and
- (ii) completed an apprenticeship that the Board considers to be appropriate or had 5 years' trade experience acceptable to the Board; or

(e) holds a certificate which is acceptable under the Agreement and, in the case of a certificate issued in a country other than Australia or New Zealand, has worked as a plumber in Australia or New Zealand for the period prescribed in the Agreement.

(8) Where the Board is satisfied that an applicant to whom subsection (4) applies is qualified to be registered as a person who is authorized to undertake, at journeyman level, sanitary plumbing or mechanical services plumbing or both those classes of plumbing, as the case may be, and that his application is in order, the Board shall register him as a person who is so authorized, but where the Board is not so satisfied it shall refuse the application.

(9) Where the Board is satisfied that an applicant to whom subsection (6) applies is qualified to be registered as a person who is authorized to undertake, at advanced level, sanitary plumbing or mechanical services plumbing or both those classes of plumbing, as the case may be, and that his application is in order, the Board shall register him as a person who is so authorized, but where the Board is not so satisfied it shall refuse the application.

(10) Where the Board is satisfied that an applicant to whom subsection (7) applies is qualified to be registered as a person who is authorized to undertake, at advanced level, any class or classes of plumbing work to which paragraph (a) of that subsection applies, any gas-fitting, or any such class or classes of plumbing work and any gas-fitting, as the case may be, and that his application is in order, the Board shall register him as a person who is so authorized, but where the Board is not so satisfied, it shall refuse the application.

(11) On the registration of a person under this section, the Board shall issue to that person a certificate of registration in the prescribed form.

(12) If the Board refuses to register an applicant under this section, the Board shall—

(a) provide him on demand with its reasons in writing for refusing to register him; and

(b) refund the fee which accompanied his application.

(13) In this section—

“Agreement” means the Australia-New Zealand Reciprocity Agreement on Recognition of the Certification of the Competency of Plumbers, Gas-fitters and Drainers and includes that agreement as amended from time to time and any agreement entered into in substitution for that agreement;

“approved authority” means any authority or other body declared by the Board, by order under subsection (14), to be an approved authority for the purposes of this section.

(14) Where the Board is satisfied that any examination or trade course in plumbing that is conducted by any authority or other body is equivalent in standard and scope to any such examination or trade course conducted under the *Education Act* 1932, the Board may, by order, declare that body to be an approved authority for the purposes of this section.

Amendment of section 10A of Principal Act (Certificates of competency).

10—(1) Section 10A (1) of the Principal Act is amended by omitting “a reciprocating country” and substituting “a State of the Commonwealth other than Tasmania, a Territory of the Commonwealth, or any other country”.

(5) On and after the proclaimed day, a certificate of registration as a journeyman plumber in respect of sanitary plumbing or heating and ventilation plumbing or both those prescribed classes of plumbing work that is in force under the Principal Act immediately before that day continues in force, subject to that Act, as a certificate of registration in the prescribed form under that Act authorizing the holder of the certificate to undertake, at journeyman level, sanitary plumbing or mechanical services plumbing or both those classes of plumbing work, as the case may be, in any building area.

(6) On and after the proclaimed day—

(a) a certificate of registration as an advanced plumber in respect of heating and ventilation plumbing that is in force under the Principal Act immediately before that day continues in force, subject to that Act, as a certificate of registration in the prescribed form under that Act authorizing the holder of the certificate to undertake, at advanced level, mechanical services plumbing in any building area; and

(b) a certificate of registration as an advanced plumber in respect of heating and ventilation plumbing and any other class or classes of prescribed plumbing work that is in force under the Principal Act immediately before that day continues in force, subject to that Act, as a certificate of registration in the prescribed form under that Act authorizing the holder of the certificate to undertake, at advanced level, mechanical services plumbing and, as the case requires—

- (i) the class or classes of plumbing work that has, or that have, the same name or names as that other class or those other classes of prescribed plumbing work;
 - (ii) gas-fitting; or
 - (iii) the class or classes of plumbing work that has, or that have, the same name or names as mentioned in subparagraph (i) and any gas-fitting,
- in any building area.

(7) On and after the proclaimed day, a certificate of registration as an advanced plumber in respect of any class or classes of prescribed plumbing work, other than heating and ventilation plumbing, that is in force under the Principal Act immediately before that day continues in force, subject to that Act, as a certificate of registration in the prescribed form under that Act authorizing the holder of the certificate to undertake, at advanced level, as the case requires—

- (a) the class or classes of plumbing work that has, or that have, the same name or names as the name or names of that class or those classes of prescribed plumbing work;
 - (b) gas-fitting; or
 - (c) the class or classes of plumbing work that has, or that have, the same name or names as mentioned in paragraph (a) and any gas-fitting,
- in any building area.

(8) On and after the proclaimed day, an interim certificate of registration in respect of one or more classes of plumbing work that is in force under section 11 of the Principal Act immediately before that day continues in force, subject to that Act, as an interim certificate under that section, as amended by this Act, authorizing the holder of the certificate to undertake, as the case requires—

- (a) the class or classes of plumbing work that has, or that have, the same name or names as the name or names of any class or classes of prescribed plumbing work specified in the first-mentioned certificate;

(b) any gas-fitting; or

(c) the class or classes of plumbing work that has, or that have, the same name or names as mentioned in paragraph (a) and any gas-fitting,

in any building area.

(9) On and after the proclaimed day, a proclamation under subsection (7) of section 10 of the Principal Act—

(a) by which the Governor declared a body or authority to be an approved authority for the purpose of that section; and

(b) that is in force immediately before that day, continues in force as an order under subsection (14) of that section, as substituted by this Act, declaring that body or authority to be an approved authority for the purposes of that section.

(9) On and after the proclaimed day, any arrangements made under section 20 (1) of the Principal Act that are in force immediately before that day continue in force as arrangements made under section 20 of that Act, as substituted by this Act.
