

**SCOTTSDALE MUNICIPAL PINE PLANTATION
ACCOUNT (SURPLUS MONEYS
APPROPRIATION).**

No. 53 of 1954.

AN ACT to authorize the council of the municipality of Scottsdale to apply surplus moneys standing to the credit of the Pine Plantation Account of the council for other municipal purposes.

[10 December, 1954.]

BE it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—

1 This Act may be cited as the *Scottsdale Municipal Pine Plantation Account (Surplus Moneys Appropriation) Act 1954.* Short title.

2 In this Act, unless the contrary intention appears— Interpretation.
 “council” means the council of the municipality of Scottsdale;
 “the account” means the Pine Plantation Account of the council.

3—(1) Notwithstanding any law to the contrary, the council may, at any time or times in any financial year, appropriate and apply out of the moneys for the time being standing to the credit of the account such sum or sums of money as the council may, by resolution, determine, but not exceeding in the whole the amount that is actually standing to the credit of the account, in or towards defraying the cost of the carrying out or doing of any purpose or work that the council may, by resolution, determine (being a purpose or work that the council is by law authorized to so carry out or do). Authority for council to appropriate surplus moneys standing to credit of Pine Plantation Account for other municipal purposes.

(2) The council shall, when making an appropriation and application under this section, have due regard to the total amount of the accounts and liabilities, if any, of the council that are outstanding in respect of the account at the time of making the appropriation or application and the amount that might reasonably be required to meet the costs and expenses of and incidental to the reafforestation of any new or milled areas of pines and the care and maintenance thereof to a marketable or saleable stage of development.
