- (28.) Any Capital raised by the creation of new Shares shall be considered as part of the original Capital, and shall be subject to the same provisions with reference to the payment of calls, and the forfeiture of Shares on nonpayment of calls, or otherwise, as if it had been part of the original Capital.

- (42.) At any General Meeting, unless a Poll is demanded by at least Five Members, a declaration by the Chairman that a Resolution has been carried, and an entry to that effect in the Book of Proceedings of the Company, shall be sufficient evidence of the fact, without proof of the number or proportion of the votes recorded in favour of or against such Resolution.
- (43.) If a Poll is demanded by Five or more Members it shall be taken in such manner as the Chairman directs, and the result of such Poll shall be deemed to be the Resolution of the Company in General Meeting. - (65.) The Company, in General Meeting, may, by a special Resolution, remove any Director before the expiration of his period of office, and may by an ordinary Resolution appoint another person in his stead: The person so appointed shall hold office during such time only as the Director in whose place he is appointed would have held the same if he had not been removed.

*Proceedings of Directors.*

- (71.) All acts done by any meeting of the Directors, or of a Committee of Directors or by any person acting as a Director, shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any such Directors or persons acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

*Dividends.*

- (72.) The Directors may, with the sanction of the Company in General Meeting, declare a Dividend to be paid to the Members in proportion to their Shares.
- (73.) No Dividend shall be payable except out of the profits arising from the business of the Company.

- (80.) The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived, and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other like matters: Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the Meeting; and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year the whole amount of such item shall be stated, with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.
