

(2) The *Ladies' Hairdressers and Beauty Culturists Act 1939\**, as subsequently amended, is in this Act referred to as the Principal Act.

**2** After section eight of the Principal Act the following section is inserted:—

Permits to  
carry on  
business else-  
where than on  
registered  
premises.

“8A.—(1) Notwithstanding anything contained elsewhere in this Act, the Chief Inspector may grant to any person applying therefor a permit authorising that person to carry on the business in respect of which he is so registered elsewhere than on his registered premises, upon and subject to such terms and conditions (if any) as may be specified in the permit.

(2) Except as authorised by a permit under this section, and in conformity with the terms and conditions (if any) specified in the permit, no person shall carry on the business of, or the operations appropriate to, the business of a ladies' hairdresser, manicure, chiropodist, or beauty culturist, elsewhere than upon his registered premises.

Penalty: Ten pounds, and a daily penalty of one pound.”

## WEST DERWENT WATER.

No. 89 of 1951.

AN ACT to provide for the augmentation of the water supply for the City of Hobart and the Municipalities of Glenorchy, Kingborough, and New Norfolk; and to amend the *Southern Regional Water Supply Act 1946*.  
[18 December, 1951.]

**B**E it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—

Short title  
and incorpor-  
ation.

**1**—(1) This Act may be cited as the *West Derwent Water Act 1951*.

(2) This Act shall be incorporated and read as one with the *Hobart Corporation Act 1947\**.

---

\* 11 Geo. VI. No. 78, as amended by No. 48 of 1948, Nos. 22 and 62 of 1949, and No. 8, of 1950.

- 2** In this Act, unless the contrary intention appears— Interpre-  
tation.
- “Board” means the Water, Sewerage, and Drainage Board;
- “country council” means the council of any one of the municipalities of Glenorchy, Kingborough, and New Norfolk;
- “the Corporation Act” means the *Hobart Corporation Act 1947\**;
- “the Hobart Council” means the Hobart City Council.

**3** This Act shall apply to the city of Hobart and to the municipalities of Glenorchy and Kingborough and to the water districts of Granton, National Park (if any), and Sorell Creek in the municipality of New Norfolk, and shall be administered by the Hobart Council as the central authority. Application  
and adminis-  
tration of  
Act.

**4**—(1) The Hobart Council is hereby empowered to take, divert, and appropriate from the sources described or indicated in the first schedule such water as it may think necessary for the purposes of this Act. Sources of  
supply.

(2) For the purposes of subsection (1) of this section, the Hobart Council shall have and may exercise the like powers and authority as are conferred on it by the Corporation Act in respect of the matters mentioned in section two hundred and four of that Act; and the provisions of Divisions I., IV., V., and VI. of Part XI. of that Act shall have effect, where applicable, in relation to those purposes as if the said provisions were expressly enacted in this Act.

**5**—(1) For the purposes of this Act, there shall be an advisory committee, to be known as the West Derwent Water Committee (in this Act referred to as “the Committee”). Advisory  
Committee.

(2) The Committee shall consist of eight persons and shall comprise four persons appointed by and representing the Hobart Council and four persons representing the country councils, of whom the council of the municipality of Glenorchy shall appoint two and the other country councils shall each appoint one.

(3) All such persons shall be appointed by the councils which they represent respectively as and when those councils respectively think fit.

(4) The Committee shall meet at the offices of the Hobart Council as and when occasion may require and any five members thereof, of whom not less than two represent country councils, shall constitute a quorum.

(5) Seven days' notice of every meeting of the Committee shall be sent by post by the Hobart Council to the council clerk of each country council, except in case of emergency, when forty-eight hours' notice by any means shall be sufficient.

(6) The Committee shall elect one of its members as its chairman and may regulate its own procedure.

\* 11 Geo. VI. No. 78, as amended by No. 48 of 1948, Nos. 22 and 62 of 1949, and No. 84 of 1950.

Functions of  
the Com-  
mittee.

**6** The Committee shall consider every proposal for new works for the purposes of this Act and shall advise the Hobart Council thereon and on any matters relating to the carrying out of the provisions of this Act which may be brought before it by any of the councils affected.

Purposes for  
which water  
to be taken.

**7** Subject to this Act, all water taken as provided by this Act shall be used for the purposes of augmenting and improving the supply of water in bulk to the city of Hobart and the municipalities of Glenorchy and Kingborough and the water districts of Granton, National Park (if any), and Sorell Creek in the municipality of New Norfolk or of some one or more of those areas as occasion may require.

Powers and  
duties of the  
central  
authority.

**8**—(1) The Hobart Council, as the central authority under this Act, shall be responsible for the construction and carrying out of all future provision for the storage of water in bulk for the purposes of this Act and the works ancillary or incidental thereto (except the reservoir at Knight's Creek already undertaken by the council of the municipality of Glenorchy).

(2) Subject to this Act, it shall be the duty of the Hobart Council to take all reasonable measures for the purpose of procuring from the sources available for that purpose such quantities of water as may be—

(a) reasonably and economically obtainable from those sources; and

(b) necessary to meet the reasonable requirements of the several councils to which this Act applies,

and to supply that water to those councils, when available, in accordance with their respective requirements.

(3) Where waterworks are provided, under this Act, for supplying water to more councils than one and the supply available therefrom is insufficient to meet the requirements of all the councils so supplied the Hobart Council, after considering a report of the Committee on the subject, shall allocate the supply in such proportions as it may think just.

(4) The Hobart Council, at any time, may undertake and carry out—

(a) such surveys, investigations, and tests for determining the quantity of water obtainable from any available source, and the best means of procuring such water; and

(b) the construction and maintenance of such waterworks,

as it may think necessary for the purposes of this Act.

Notice of  
intended  
works in  
certain cases.

**9**—(1) Where any proposed waterworks, under this Act, are to be carried out wholly or in part within any municipality the Hobart Council shall give to the council of that municipality two months' notice in writing of its intention to carry out those works.

(2) No such works shall be carried out beyond the areas to which this Act applies except with the approval in writing of the Governor.

(3) Any council thereby affected may appeal against the carrying out of the proposed works as provided by section fifteen.

**10** All water supplied by the Hobart Council to a country council under this Act shall be supplied by meter at such points as may be agreed upon between the Hobart Council and the country council.

Water to be supplied by meter.

**11**—(1) Every country council shall—

Obligations of country councils.

(a) at its own cost, make such alterations and additions to its waterworks as may be required to enable it to take, reticulate, and dispose of the water supplied to it under this Act;

(b) pay to the Hobart Council half-yearly, at such times as the Hobart Council may direct, the amount payable at the rate determined as provided by section twelve in respect of the water supplied to the country council under this Act during the half-year then last past; and

(c) as and when occasion requires, appoint some person as its representative on the Committee.

(2) Subject to any other enactments governing the supply of water in its municipality each country council may dispose of the water supplied to it under this Act as it thinks fit.

**12**—(1) The amount payable by a country council to the Hobart Council for water supplied to it under this Act shall be determined annually in advance by the Hobart Council and may comprise a minimum charge plus a rate per thousand gallons for all water in excess of a quantity so determined.

Charges for water to be determined by central authority.

(2) In computing the cost of water so supplied for the purposes of any such determination the cost of surveys, investigations, construction, and maintenance of all storage and other waterworks undertaken (whether before or after the commencement of this Act) for the provision of such supply shall be included.

(3) The Hobart Council may determine separate amounts under this section in respect of separate schemes for supplying water to different parts of the one municipality.

**13** The Hobart Council shall not be liable to pay compensation or damages to any council by reason of the failure or partial failure to supply water as provided by this Act from any cause other than the wilful default of the Hobart Council.

Central authority not liable for accidental failure of supply.

**14** Nothing in this Act shall affect the obligations of any country council under the *Water, Sewerage, and Drainage Board Act 1944\** in respect of any scheme which that council proposes to undertake independently of this Act.

Application of *Water, Sewerage, and Drainage Board Act 1944*.

\* 7 & 8 Geo. VI. No. 93, as amended by 9 Geo. VI. No. 13 and No. 42 of 1948.

## Appeal.

**15**—(1) If any council is aggrieved or dissatisfied with any decision or determination of the Hobart Council under this Act it may appeal therefrom to the Board as provided by this section.

(2) Every such appeal shall be lodged in writing with the chairman of the Board within one month after the notification by the Hobart City Council to the appellant of such decision or determination, and shall set forth particulars of the decision or determination and the grounds of the appeal.

(3) The Board, after such enquiry as it may think necessary and after hearing the appellant and any other council which is concerned and wishes to be heard, shall give its decision in writing, and that decision shall be final and shall be binding on all parties concerned.

## Provision for local water schemes.

**16**—(1) Any country council may, with the approval of the Board, initiate and carry out a scheme for the supply of water to any area within its municipality.

(2) The Hobart Council may, at the request and cost of any such country council, undertake and carry out the construction and installation of any waterworks to give effect to a scheme so approved.

(3) No such scheme shall be approved or carried out unless the Board (after consultation with the Hobart City Council) is satisfied that it will not prejudice or in any way interfere with the supply of water under this Act to any council other than the council proposing the scheme.

## Remedy for non-payment.

**17** If any moneys payable to the Hobart Council by any country council are in arrears and unpaid for the space of one month after becoming payable those moneys may be recovered from the country council by the Hobart Council by action in any court of competent jurisdiction.

## Power to central authority to borrow £1,000,000.

**18** The Hobart Council may borrow and take up at interest for the purposes of this Act in accordance with the provisions of Part IX. of the Corporation Act any sum or sums or money, not exceeding in the whole the sum of one million pounds.

## Amendments of the Southern Regional Water Supply Act 1946.

**19**—(1) Sections sixteen and twenty-eight of the *Southern Regional Water Supply Act 1946\** are repealed.

(2) The sections of the *Southern Regional Water Supply Act 1946\** which are specified in the first column of the second schedule to this Act are amended as respectively specified in the second column of that schedule.

(3) The *Southern Regional Water Supply Act 1946\** is further amended by omitting from the title thereof the word "Glenorchy".
