- INSTITUTIONAL REPOSITORIES

SERENDIPITY & AGGREGATION

- AUSTRALIT
- SERENDIP-O-MATIC
- TROVENEWSBOT
- EUROPEANA 1914-18

THE IMPACT OF OCR

- BUT WHAT ARE YOU SEARCHING?
- SHARK ATTACK!

The image shows a screenshot of a Facebook post from the page 'Perth Now'. The post title is 'Why do you think we are seeing more shark attacks off our coast?'. The main text of the post reads: 'Live sheep exports blamed for WA shark attacks perthnow.com.au LIVE sheep exports are being blamed for the recent spate of shark attacks.' Below the post, there are several comments from users. The first comment is from Jean Baxter, Meiliana Livianto, The Window Cleaner and 6 others, saying 'this.' with 13 shares. Other comments include: 'Jamie Whyte its the over fishing were taking to much from our ocens, and sharks are comming in sure to look for food July 18, 2012 at 9:12pm - 12', 'Julie Angel Their waiting for the boat people of course! Bahahahaha July 18, 2012 at 9:13pm - 11', 'Ferne Taylor Cause sharks live in the sea and we are swimming in the sea and the sharks are hungry. July 18, 2012 at 9:15pm - 10', 'Craig Dunn This may be true to a degree but it doubtfully the reason for 5 fatal shark attacks this year. Shall we not look at due to decline of fish stock? So what is the real point to this artic... See More July 18, 2012 at 9:16pm - 8', 'Jay Margo This is B'aaaaaad news 😊 July 18, 2012 at 9:30pm - 2', and 'Donna Fuller Did they have live sheep export in 1950? http://trove.nla.gov.au/ndp/del/article/47820893 Digitised newspapers and more 03 Jan 1950 - FIVE SHARKS SIGHTED AT COTTESLOE trove.nla.gov.au FIVE SHARKS SIGHTED AT COTTESLOE 'A' state of continuous shark alarm ... See More July 18, 2012 at 9:37pm - 5'.
